HARKINS MIDDLE SCHOOL DRAMA CLUB PRESENTS...

Employees Must Wash Hands... Before Murder.

Script by Don Zolidis

Directed by Amy Barrieau & Kim Beers

***Something's rotten at the Burgatorium...and it's not just the burgers!
Hit with a health inspection, employees hurry to clean the filth, hide the rats and replace the meat. Things get worse when someone turns up DEAD.
This super-sized mystery comes with a side of ridiculous and a dose of crazy!***
