

Name _____ Date _____

MIXED PRACTICE**Links**Addition, subtraction,
multiplication, and
division review

Solve each problem by working from left to right.
When you finish a problem, locate the answer in a
box below, then write the letter above the answer. If
the answer appears in more than one box, fill in each
one with the same letter.

Take **48** → Multiply by **8** → Subtract **64** → Divide **4** = _____ = **N**

Take **408** → Add **72** → Divide by **5** → Subtract **19** = _____ = **A**

Take **937** → Subtract **83** → Divide by **7** → Multiply by **9** = _____ = **D**

Take **396** → Divide by **6** → Add **48** → Subtract **78** = _____ = **S**

Take **407** → Add **49** → Divide by **4** → Subtract **70** = _____ = **L**

Take **596** → Multiply by **9** → Subtract **64** → Divide by **5** = _____ = **B**

Take **486** → Divide by **6** → Add **40** → Multiply by **7** = _____ = **G**

Take **784** → Subtract **229** → Divide by **5** → Add **72** = _____ = **U**

Take **420** → Add **777** → Subtract **42** → Divide by **5** = _____ = **Y**

Take **92** → Multiply by **8** → Subtract **1** → Divide by **7** = _____ = **O**

What strange children live in the ocean?
