

Literacy for Week 8

MAA Grades 6-8

- Read 30 minutes each day. If you are still having trouble accessing books, [CLICK HERE](#) or click [HERE](#) to visit the Scholastic Magazine site. There you'll find out the science behind your favorite candy and a debate that questions if video gaming is a sport!
- Find this week's writing suggestions [HERE](#)- Feel free to email your response to Ms. Stewart or Ms. Perry. You'll have to get outside for this one.
- When reading this week take note of examples of excellent description/sensory language. Choose a strong example and make a video of you reading it aloud. Send your clip via email to your Language Arts teacher. Click here for [Ms. Stewart's](#) and [Ms. Perry's](#) samples.
