

Good morning students:

There will be a view learning bumps. Please be patient. Do your best. If you are having problems, send me a message through email or TEAMS message.

I will be available from 8:10 a.m. – 4 p.m.

Student learning at home will count toward their class work and mark, unlike COVID last year, so students should do their best to try the assignments and get help when needed by sending me a message on TEAMS or by email at Kendra.mclean@nbed.nb.ca. If students struggle with email, the family is certainly welcome to email me.

Students are expected to complete assignments. If you have difficulty with anything, or have any home learning questions, please email me at Kendra.mclean@nbed.nb.ca.

Please email me if you do not have your **login/password** information at home.

For students who do not have access to a device, please complete your COVID packages that were sent home. If you did bring this package home, email me at the above address and I will post one online on my Teacher Page.
