

Numeracy/STEAM for Week 9

MAA Grades 6-8

- Your height can tell you more about yourself than you think! Check out the [PROBLEM OF THE WEEK](#) ou le [PROBLÈME DE LA SEMAINE](#).

- We challenge you to try these grade specific lessons and practice exercises. Take your time and send your Math teacher an email if you have any questions.

Grade 6- [Angles Lesson, Angles Activity, Game](#) (Construct angles with a protractor)

Grade 7- [Area of Parallelograms, Triangles, Trapezoids, Circumference and Area of a Circle](#)

Grade 8- [Revisiting Percent, Rates and Proportional Relationships, Simulations using Probability Models](#)

- Complete 20 minutes or more of DreamBox lessons each day. Remember, the lessons will progressively get more challenging, the more lessons you do. [CLICK HERE](#)

- How does the “Internet of Things” impact our lives? Are we an ‘over-automated’ society? Use this document (in English or French) from Science East to ponder these important ideas by clicking [HERE](#).
