

### HOW TO OPEN YOUR LOCK

- 1) Make three full turns to the **right**.
- 2) Turn to the **first number** of your combo.
- 3) Make one full turn to the **left**, passing the **second number**, and then all the way around until you stop at the **second number**.
- 4) Turn **right** directly to the **third number**.
- 5) Pull to open!!!

**\*\*\*Take the time now to write your combination somewhere (agenda, pencil case, etc), just incase!**
