

K-2 Learning Opportunities for Week 10 (June 8 - June 12)

Literacy	Math	Wellness
<p>Draw a picture or write a bucket list for everything you want to do this summer!</p>	<p>Estimate how many cups of sand you need to fill a bucket.</p>	<p>Draw your best beach picture of you and your family or friends!</p> 
 <p>Write or draw your proudest moment from when you were at school this year.</p>	<p>Build a tower as high as you can out of rocks or sand.</p> 	<p>Click here for an outdoor challenge! You can also visit Mr. Flynn's Teacher page if you wish to complete the other activities for the week!</p>
<p>Find a unique rock, sea shell, or stick and paint it!</p> 	<p>Math Problem: We were home for 3 weeks before home learning & we had 10 weeks of home learning. How many weeks have we been home for so far?</p>	<p>Some beach songs to try out brought to you by Mrs. Gallant! Click here.</p>

Other helpful hints:

Read 10 minutes & play outside daily!

Students in French Immersion should be trying to complete these activities using their French vocabulary.

If you are looking for stretch activities, visit your child's teacher page for other addition resources that will help them along the way.

STEAM: Visit [here](#) to try some fun learning options at home.
