

## K-2 Learning Opportunities for Week 5 (May 4- May 8)

Literacy	Math	Wellness
<p>Make a Mother's Day card or create a family picture to give your mom, aunt, grandmother, or any special lady in your life</p> 	<p>There are 5 dogs at the SPCA. Mrs. Cameron adopted 2 of them, Mme. Carroll adopted 2 of them &amp; Ms. Dedam adopted 1. How many dogs are still at the SPCA?</p> <p>K- Draw a picture to show how you got your answer            1- Solve it and explain your answer            2- solve &amp; create your own subtraction problem</p>	<p>E-mail a letter to your teacher or write it and send a video of you reading it. Let them know what you've been up to and how you've been keeping busy at home.</p>
<p>Follow this <a href="#">link</a> to read <i>Love You Forever</i> by Robert Munsch. What is your favourite part?</p> 	<p>Math Bowling: Use toilet paper rolls, paper towel rolls or anything you can find for pins. Use a soft ball or a pair of rolled up socks for a bowling ball. Bowl away! Subtract the pins you knock down as you go. How many are still standing?</p>	<p>Click <a href="#">here</a> for the links for the daily rotation in Phys Ed. You can also find the link to complete the DEAM (Drop everything and move) portion if you wish.</p>
<p>Write a thank-you letter or a coupon book to your Mom or aunt, grandmother, etc.            Examples for coupon book: 1 free hug, do extra chores for the day, help cook supper...            draw pictures to go with it!</p>	<p>Blast off: Draw a number path outside &amp; write numbers 1-20 on pieces of paper. Start at 20 on your path &amp; pick a paper number at random. Subtract the numbers you draw. Have a race with a partner, or see how fast you can make it to 0.</p>	<p>Learn a song to sing to your mom/grandmother on Mother's Day. Here are some to try: (<a href="#">Click here</a>)</p> <p>Moms are Special            Mom, You're the Best            That's my Mom</p>
