

K-2 Learning Opportunities for Week 9 (June 1 - June 5)

Literacy	Math	Wellness
Practice your letters outside with chalk, rocks, sticks, or anything you can find while playing outside	Click here to make your own bubbles. Create your own wand. Count how many seconds your bubble lasts before it pops.	Art Hub: Click here for a tutorial on how to draw a campfire. 
Look out & Look up What shapes can you find in the clouds? Stretch: Write a story about the cloud you find.	Make a nature pattern! (Ex: ABC - leaf, stone, stick, leaf, stone, stick)	Click here for the links to this week's Gym activities!
How to make a cloud: Click here 	Go for a walk or look around while you're outside and count! How many birds do you see? How many people are out walking?	Here are some more fun songs to try from Mrs. Gallant! Click here for the links to the songs.

French Links:

[French Children's Stories](#)

Other helpful hints:

Read 10 minutes & play outside daily!

Students in French Immersion should be trying to complete these activities using their French vocabulary.

If you are looking for stretch activities, visit your child's teacher page for other addition resources that will help them along the way.

STEAM: Visit [here](#) to try some fun learning options at home.
