Wellness

<p>Click here to enjoy a read aloud of Pete the Cat Goes Camping</p> 	<p>Marshmallow Measurement: Measure items you would take camping with you using marshmallows. Estimate First! Click here for a video on non-standard measurement.</p>	<p>Flashlight Fun: Read in the dark with a flashlight!</p> 
<p>How to make s'mores - Procedural Writing What do you need?  What do you do with the ingredients? What do you do when it's all done?</p>	<p>Create shapes and 3D shapes using marshmallows and toothpicks.</p>	<p>Click here for links to this week's Gym activities as well as a link to register for the virtual Olympics starting May 25th!</p>
<p>The Name Game: Pick a topic (ex. Camping) The first player names an item about the topic and begins with the letter A. The next player names something about the topic that starts with B. Make your way through the alphabet. Any player who cannot add an item during their turn is eliminated until only one winner is left.</p>	<p>Grab a handful of marshmalows and make a math problem with the number of marshmallows you have in your hand.</p>	<p>Click here for some fun campfire songs!</p>

French Links:

[French Children's Stories](#)

Other helpful hints:

Read 10 minutes & play outside daily!

Students in French Immersion should be trying to complete these activities using their French vocabulary.

If you are looking for stretch activities, visit your child's teacher page for other addition resources that will help them along the way.

STEAM: Visit [here](#) to try some fun learning options at home.
