# Rock Location Clues

## #MaaRocks Challenge

**Ms Bell**

If you go out to do some shopping  
You'll find this rock'n party popping  
Get some treats 4 U and see  
If you can join this dance party 🕺

**Ms Barrieau**

"I'm just going to go out on a limb,  
and say Ms Barrieau needs a moose-tache trim!  
Outside this shop you will find her rock,  
and maybe the remnants of her split-ended locks.

**Mr Stewart**

The last time I was there,  
I came away with two strikes and a spare.

**Ms Perry**

Pre-pandemic I was always on the go,  
But I always found time to stop for a cuppa joe.  
A place that combines two loves of mine,  
Go find my rock, it's under the sign.

**Ms Gallant**

I've hidden my rock at one of my favourite places in Newcastle - topped only by Max Aitken. I like this place so much that I often stop here on my way to MAA.

**Ms. McGraw**

You can find me where you lace up your skates on a winter day,  
This is where the Hometown T-Wolves play!

**Ms Thorne**

All that glitters is not gold...find me at a place where glitter is sold!

**Ms Campbell**

Close to here, at midnight  
Ms. Campbell once did wait  
To get her hands on the last book,  
And learn Harry Potter's fate

**Ms Stewart**

On an evening in July, near Ms. Stewart's rock you'd get bit by a mosquito  
And might even see some teachers like Mr. Henderson in his speedo.  
Remember this is just for fun, no harm and no foul  
But if you think you can find my stone make sure to bring your towel!

**Ms Kingston**

My rock is outside a building that is cold inside,  
It's home of the Wolves, Miramichi pride.  
This sport is not one that Ms. Kingston plays,  
But she watches her kids play here on winter days.

**Ms Hogan**

You walk or drive by me when going to school!

**Ms. Richardson**

My rock can be found underneath a monument representing a liquid that strengthens your bones.  
This same liquid was also once banned from school cafeterias.
