

To: Parents

From: Mr. Flynn

Max Aitken Academy has several times booked for our grades 3-5 students to go skating this fall and winter at the Miramichi Civic Center. Times have been set aside by grade level and elementary students will be skating on Monday mornings. Students will travel by bus and are the responsibility of their homeroom teacher. Students will stay with their class throughout the activity. The school does have some extra skates and helmets but not enough to outfit all students. Students who do not come dressed ready for skating will not be allowed on the ice.

Any parent that wishes to attend the skating sessions is invited to meet their child at the rink. If you have any questions please email me at ryan.flynn@nbed.nb.ca

Students will need the following gear:

- Winter or hockey gloves
- Winter coat
- Skates
- Hockey helmet (No bike helmets)

Elementary Skating Schedule for October to December Fall 2022
